Introduction to College for schools: for many, this is their first experience of college

- Transition course for those still at school and likely to join a full-time ACE course
- Series of taster sessions modelled around subjects & topics typical to our courses
- Level 1/2 timetabled for mornings and level 3/4 in the afternoons.
- Students familiarise with campus layout & facilities, route to college, staff, general 'atmosphere' of college etc.
- We are keen, where possible, that students attend the campus that is nearest/easiest to reach from their home address. This is key to their transition arrangements once they leave school
